## JULY 4 FUND SMALL

Only Half of Cash Needed  
Has Been Subscribed.

## MAY HAVE TO CURTAIL GAMES

Probably 1,000 Entries for Athletic Contests Due to Interest in the Public Schools—Fully \$3,000 Altogether Is Needed to Make Fine Celebration of the Day.

According to report of Commissioner Rudolph, \$1,500.50 is the total amount of subscriptions to the safe and sane celebration fund for July 4. It is essential that there should be at least \$3,000 on hand with which to buy medals, supply fireworks, erect stands, provide music, and all the other things that go to make up a fitting observance of Independence Day.

The municipal games are attracting the attention of the public, but even these will have to be somewhat curtailed if the fund does not double before the day rolls around.

Col. Conroy, Superintendent of Public Buildings and Grounds, has allowed the athletes the use of a cinder track near the bathing beach for preliminary work. It is thought there probably will be 1,000 entries for the games. The great increase in the number of entrants is due to the work of Supt. Stuart, who has aroused interest in all the public schools.

**Total Receipts to Date.**  
The entire athletic programme will be made public in the near future. The total receipts of the fund to date are as follows:

Previously acknowledged, \$1,500.50; Woodward & Lothrop, \$100; P. A. Smith, \$100; George E. Hamilton, \$100; M. M. Parker, \$100; S. A. & Co., \$100; R. F. Smith, \$100; Construction Company, \$100; E. M. Fox, \$100; Henry R. F. Macfarland, \$100; J. Fred Keller, \$100; James L. Norris, Jr., \$100; Achille Burtin, \$100; Miller Bros., \$100; Charles Kramer, \$100; S. S. Shick, \$100; K. W. Willard, \$100; John M. Wilson, \$100; Millard F. Thompson, \$100. Total, \$1,500.50.

## NO MORE VACATION MILEAGE.

## Naval Officers to Pay Own Expenses on Home Leave.

Hereafter naval officers going home on leave of absence will be compelled to pay their own way, if the decision of the Treasury Department to that effect is to be upheld. Moreover, all officers who have received such mileage in the last five years will have to refund the aggregate amount to the government.

The decision created considerable dismay in naval circles. But the Navy Department is of the opinion that the situation can be saved, pending the outcome of the protest entered, by issuing an auxiliary order, the object being to get around the action. The department may order an officer home for vacation orders, which will entitle him to mileage. This order is to be immediately followed by another order, granting him leave. In the meanwhile an appeal from the Auditor's ruling will be made to the Court of Claims and to Congress.

Rear Admiral Nicholson, chief of navigation, acting accordingly, issued an order for all the midshipmen to proceed home to-day and there await orders.

## DRAGGED BETWEEN CARS.

## Passenger Falls Off Platform, but Escapes Serious Injury.

Although dragged for half a block between the front car and trailer in Pennsylvania avenue last night, W. S. Shupp escaped serious injury.

Shupp attempted to alight while the car was in motion. He fell between the bumpers. His right hand was bruised. While hanging on the step of a crowded Washington and Baltimore car last night at Fifteenth street and New York avenue northwest, an unknown white man was thrown to the ground and severely bruised. He was taken to Emergency Hospital.

## MAY LOCATE AT CAPITAL.

## American Medical Association Seeks Place for Headquarters.

At the meeting of the executive committee of the Board of Trade yesterday Dr. William C. Woodward, health officer, was present and spoke about the possibility of the location of the printing plant and general offices of the American Medical Association in this city.

Dr. Woodward told the committee that the association was about to move its headquarters from Chicago and was looking for a suitable place to locate, where its big printing and publishing plant would have better surrounding conditions than in Chicago. Dr. Woodward expressed the opinion that a little activity on the part of the trade bodies would be sufficient to bring the association here, as it was already favorably inclined to come here.

Dr. Woodward asked that he be authorized to go to the convention of the association next week as the delegate from the District of Columbia with an official invitation from the Board of Trade inviting the association to make its headquarters here.

The committee passed a formal resolution empowering Dr. Woodward to present such invitation to the American Medical Association in behalf of the Board of Trade. Similar action was taken last Wednesday by the directors of the Chamber of Commerce.

## PLAYS PLAYGROUNDS ACT.

## President Lancaster Makes Caustic Speech Before Suburbanites.

In a caustic speech last night before the Citizens' Northwest Suburban Association, Charles C. Lancaster, president of the association, denounced the recent legislation of Congress in making the District subordinate the entire appropriation for playgrounds.

A resolution thanking Senator Gallinger and Representative Smith for their opposition to the bill was adopted.

A resolution endorsing the present school board and opposing the bill now before Congress to appoint a director of education was unanimously passed.

The following officers were elected: C. C. Lancaster, president; Col. James L. Tait, first vice president; Dr. John Chapman, second vice president; Isaac C. Shoemaker, third vice president; A. M. Ray, fourth vice president; G. R. Payne, secretary, and S. M. Hawkins, treasurer.

## REAL ESTATE MEN COMING.

## Delegation from Houston, Tex., Will Visit Capital in August.

A letter was presented yesterday to the executive committee of the Board of Trade announcing that a delegation of the Houston (Tex.) Real Estate Exchange, which will start on a tour of the principal cities about the middle of July, will be in Washington about August 3. It was the sense of the committee, without any formal action to that effect, that some form of suitable entertainment should be arranged for the visitors during their stay at the Capital.

## NO FUNDS FOR COSTA RICANS.

## Money Needed to Build Houses for Earthquake Sufferers.

A shortage of money necessary for labor to erect the houses for the relief of the Costa Rican earthquake sufferers is reported from San Jose, the capital of Costa Rica, by American Consul Monroe. The material was contributed by the American National Red Cross Society, and has already arrived at its destination, but the erection of the houses is delayed, due to the lack of funds.

## SERVICES AT GRAVES SUNDAY.

## Secretary Dickinson May Speak at Confederate Exercises.

Arrangements have been completed for the memorial services to be held tomorrow afternoon over the graves of the 270 Confederate dead at Arlington National Cemetery.

Secretary of War Dickinson is expected to speak. The orator of the occasion will be Gen. George W. Gordon, grand commander of the Confederate Veterans, and a member of Congress from Tennessee.

## The exercises will be under the auspices of the United Confederate Veterans, Camp No. 171, the Southern Relief Society, the Sons of Confederate Veterans, and the United Daughters of the Confederacy.

Capt. John M. Hickey, chairman of the joint committee, will preside, and will be assisted by R. S. Denny, secretary; Mrs. J. Mulcare, treasurer; Mrs. George S. Corvinton, chairman of the flower committee; Mrs. John T. Callaghan, chairman of the music committee, and John T. Callaghan, chairman of the publicity committee. Flowers will be placed on each grave, and the "Southern Cross," a beautiful floral decoration, will be unveiled.

## Chief Justice Fuller's Eyesight.

Removing his glasses, dimmed with tears, prompted by the recital of the names of illustrious men who had died since he came to the Supreme bench, Chief Justice Fuller impressed those in attendance on the court with the remarkable preservation of his sight. He was reading memorial resolutions in honor of the late Justice Brewer on the last day of court this week, and continued the reading with seemingly as much ease as with glasses.

## UNION STATION ELEVATORS.

Commissioners Report Favorably on Bill Before Congress.

Realizing the necessity for three or four elevators in Union Station for the convenience of passengers entering or leaving by the lower levels, the Commissioners yesterday reported favorably on the bill now before Congress to force the Union Terminal Company to install and maintain elevators on their premises.

The Commissioners claim the installation of these elevators would not cause inconvenience or delay to traffic in any way, and that the comfort and increased capacity of the station would more than repay the Terminal Company for installing them.

## EXCURSIONS.

It takes propitious weather to bring the crowds out for scenic things, but so popular is Chevy Chase Lake that its patrons are on hand "rain or shine" to enjoy its many attractions. The resort is easily, quickly, and comfortably reached from all parts of town, one reason possibly why recent evenings have found the attendance as large as if it were fair and much later in the season.

Norfolk and Washington steamers leave Seventh street wharf every evening at 6:45, the sail down the Potomac occupying one night. Connections are formed at the southern terminal with Old Dominion lines for New York and Mechanics and Mine steamships for Boston. The Norfolk and Washington Company, in conjunction with these two lines, sells through tickets to the above points, meals and staterooms included from Norfolk. The uptown ticket office is at 729 Fourteenth.
